Ah

As a
"living person"
the difference
should be
obvious

Right now
you provide an
amount of power
but Youko is a
"dead person"
after all

u
fu fu
is that
it?

So
Nona-
miya
kun

Youko
is
done for.

comforting
her
but...

You
can
cure
her
head

If you
don't
want to
die

Kill
Youko

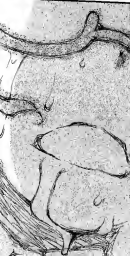

But that thing
she's become...
It doesn't think
about
its resentment
it just...

If Numata
san kills me
she'll return
to hell

I've
gotta...

I
don't
care

Either
or is
fine with
me

And if she killed you, she'd still go back to hell. Isn't it fun how that plays out?

It'd be fine if you were killed

wah...

that ...

Would be equally interesting.

Either one

Gives me goosebumps all over!

It's so so so fun!

constant fighting is entertaining to us

Brokering with each other or fighting

Even now I see you two glaring at each other

Don't you think? we're bored school yokai

So ...

A

HA

HA

HA

HA

so it'll be so
fun for me to watch
I don't care who wins

Kill
each
other!

HA

HA

an extra
lesson!

to
me!

You
lied

that's
be-
cause

and
framed
me for it!

broke
the
anat-
omical
model

that
day
you...

I couldn't
forget it

I put
you
in that
awful
situation!

and
followed
you!

so I
torm-
ented
you!

I...

So
I...

So
I...

Killed
Numata
Youko

Didn't
do it

You...

Nonsense
fun

seriously

but

IF I lied

uhm
-
I guess Youko
wasn't a
good match
as my servant

So
after she
dies, Youko
pays you
back

I'M

But

Charging

would have
been
fine as well

I could
have
consulted
someone

I weighed
my options
before I died

Get

That's
how it is
Youko?

I didn't
expect
something
like that
to happen!

Someone
tricked and
teased me

Please
end it.

But that
wouldn't have
done any
good
I..

I could
have fought
fine with fine

I..

Hey
Mr
Principal

Is the wish
of the dead

like honey

So,
let's go

Thank
you
so much

Nano-
miya
kun

Wa-
ma

In
exchange, you'll
forget that cold
frozen hell

You're going to
return to
hell and everyone
will forget you

So,
Nanato
kun

Forgive
me

Please

Then I

For
that day...
for
everything!

I forgive
you!

I
forgive
you!

yes!

Forgive
you too!

Numata
san..

It is...
in
the end..

heh

It's like
saying
good
bye

Thank
you

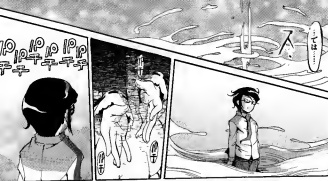

I'm
sorry

You
really
were
dumb
...

I wonder

If you'll
be able
to get out
peacefully

That
sort of
happy
ending
